Dear Parents, we have a fun summer planned for our students! If you are a returning “camper” you know that we try to pack as many exciting activities into our summer camp program as possible! Please remember the following requirements: Each camper must have a signed and completed summer registration form. On the first day of camp, your child should come with sunscreen already applied (Teachers are unable to apply sunscreen to campers), two full changes of clothes (some of our activities get messy), and a baseball cap or visor. All belongings should be labeled with your child’s name! Also, AT ALL TIMES your child should be wearing tennis shoes. Flip flops, crocs, jellies and other forms of open-toes/slip-on shoes are dangerous in an environment full of outside activities.

ALL ASSEMBLIES START AT 10AM!
